

To my dear brothers and sisters in Christ at Sunset Church of Christ in Carlsbad, NM. The Dowell family has been supported by Sunset as missionaries for over 15 years. First in Lima, Peru and currently as the Dean of Missions at S.I.B.I. **Thank you** so much for your participation in this work of the Lord!

My Job description at SIBI

One of the Roles I fill at SIBI is that of a full-time teacher. At Sunset we have various programs of study; I am blessed to teach in the School of Missions, Adventures in Missions, and the Bachelors in Biblical Studies program.

Administratively, I oversee the School of Missions program as its Dean and serve on the Academic Excellence Committee. Our purpose is to recruit, train, and mentor missionaries and mission teams who will establish, mature, and reproduce the Lord's church. Pictured to the right are the locations where SIBI has trained and sent missionaries since I became Dean in 2009. We have sent more than one team to some of these locations.

God has blessed my wife and I with a wonderful family and a memorable ministry in many parts of South America. Using the experience gained through our foreign mission experience in Lima, Peru and our missions and ministry training, we visit missionaries serving in South America to encourage them, resource them, and help them to problem solve. We work to help them have all they need to do the work they were sent there to do.

Looking Ahead/2017

This year we have 11 young men and women interested in training for missions both foreign and domestic. I will be taking an extended trip to Peru to lead a campaign and **to distribute solar players** to several congregations in the jungle and remote/central areas of Peru. I have identified 4 cities in South American that do not have a presence of the Lord's church and have begun to recruit teams to fill this need.

In Lubbock on the home front Amy and I continue to mentor and encourage our students as they prepare themselves for life in ministry.

Sunset, thank you for the difference you are making through your support of this ministry. We love and appreciate you!
