**NOTES FROM
THE ELDERS**

Providing Clothes for Free – at the Clothing Room

Clothing Room

We are grateful for Eleanor Nelson and the ministry she has started with The Clothing Room. It's located in our Office Building and it has now blessed many people who receive the gifts of free clothing and serving others in need. And, we are grateful for all that have helped Eleanor with donations and by serving alongside her. Another one of the many blessings from God at Sunset.

Baptisms

We Praise God for recent baptisms. Our purpose as God's family is to bring more people to God and share the love He shows us. As we grow together as a family in spiritual maturity, so should our number. Since helping the lost find Jesus is our primary purpose together, it is good to see that God has reached those who were lost.

Youth Minister

Please continue to pray with us, asking God to reveal to us the Youth Minister he has chosen for our future.

Congregational Meeting

Due to some concerns the elders have been hearing, we have decided to hold a congregational meeting this Sunday night, August 26th following a short service. Please attend if you have anything you feel the need to share.

Preaching Schedule

Brian and Charlie will be sharing the pulpit this fall four weeks at-a-time through the end of the year. Please continue to encourage and support all of our ministers as we gradually transition into a new era of ministry and services as a church family.

Come Together As One

Above all, clothe yourselves with love, which binds us all together in perfect harmony. And let the peace that comes from Christ rule in your hearts. For as members of one body you are called to live in peace. And always be thankful. Colossians 3:14-15 NLT

Brian's Corner

Hurry Is the Death of Prayer

"Be still in the presence of the Lord, and wait patiently for him to act" (Psalm 37:7 NLT).

The reason why most people never hear God speak is that they never slow down enough to let God talk to them. Hurry is the death of prayer! You've got to slow down. You've got to be quiet. And you've got to wait expectantly.

The best way to do this is if you get up earlier, so you're not rushed and you're able to spend some time and start your day with God.

If I told you that tomorrow at 4 a.m. the queen of England, the president of the U.S., and the pope all wanted to meet with you privately, you probably wouldn't even go to bed tonight. You'd take a bath — you'd probably take two baths! You'd go find an all-night barber or beauty salon, get a new suit or outfit, and get spiffed up. You'd be at the meeting 30 minutes early.

Guess what? The Creator of the universe wants to meet with you tomorrow morning! You don't even have to get dressed up. You can be in your PJs. You don't even have to leave your home. But you do have to plan an appointment. That means you have to stop doing something so you can start doing what God wants. You've got to decide what's more important to you: another 30 minutes of entertainment or time with God every morning.

Your day is filled with lots of important responsibilities, commitments, and activities. But time with God is the most vital appointment that can appear on your calendar tomorrow!

- What difference do you notice in your life when you have a consistent, meaningful quiet time?
- What person, activity, or commitment have you chosen over your time with God?
- What changes can you make in your schedule and priorities so that you choose time with God over anything else?

Thank You Notes:

Thank you all for the donations and help with the Free Sale. We blessed a lot of people.

Singing In The Clouds-September 15th
 Sunset has had a tradition for several years of gathering at the Queen Campground in September for a special time of fun, fellowship and worship together. If you enjoy camping (Camping is available for trailers \$20 a night; for tent campers it's \$10 a night) or ATVing (We usually have a couple of rides during the weekend) or eating (We usually have a great meal, meat provided, and everyone brings side dishes and desserts) and worshipping (We will get together after the meal and lift our voices in praise to God who gave us life and the voice to sing praises with) and enjoy being God's people as we spend time together in the cool mountains. Set aside September 15th so you can be part of the fun! There will be more information in upcoming announcements

Sunday, September 23rd is Dollar Days for The Children's Home of Lubbock. Each dollar buys one meal for one child. Our Kids Cash will go to the Children's Home on this Sunday.

Ways To Help:

Blessing Box

1. The **Blessing Box** is located out front on our big sign and people who need food just come get what they need out of it. You can help by bringing **non-perishable food** and placing it in the bucket in the foyer. If you'd like to make a **monetary donation** online, there is a line item set aside for that purpose or you can mark your check "Blessing Box" in the memo line and put it in the contribution plate or bring it to the office.
2. We also collect **toiletries** for the **homeless.** Please see the list that is on the bulletin boards around the building for the items that are needed. Eva Cruz and her crew bag them up and bring them to places around town. If you would like to help, get in contact with her.

Sunset family, we have an opportunity to bless our preschool by purchasing diffusers for our classrooms and bathrooms. The diffusers would replace the plugins that we use to mask odors. Many people have reactions to the plugins. I am wanting to purchase the diffusers and a 5ml bottle of Thieves for each preschool classroom and the bathrooms. I have figured the cost at approximately \$84.00 for each classroom and we will need to purchase 12 total sets. Please let Georgina Stroble know if you would like to help with this. We will be using Young Living products or higher quality oils.

We will be having green chili chicken bake for dinner this Wednesday, August 22nd. Hope to see you there!

The meal is at 6:00 pm and Bible class starts at 7:00 pm. Volunteers for Wednesday night meals are needed. Sign up on the calendar in the kitchen or call the office at 887-1278.
